Weather Points.

The exposed thermometer was down to 48 degrees this morning and 4 degrees warmer than yesterday morning. The signal service office reports yesterday's range 48 to 52 degrees, but it wont? 2 degrees their the copen int. There has been no sign of frost so far, though prudent housewives placed newspapers over their tender flowers and plants.

No rain anywhere within a hundred miles of her yesterday or last high. It was raining this morning at Nashville, and up in Nebraska a light know fell, while it was threatening along the Texa Gulf Coast and rain is promised in the vicinity, within the next 24 hours.

Local rains in Tennessee and the lower Miscouri Valley: air skies in the West Gulf States and the Ohio valley, and not much change in temperature, though, it anything, a little warmer, are the predictions, ahead for the weather. This includes to night and to-morrow morning.

The coolest corner in this country this morning was Nebraska and Dakota where 34° to 38° was the record and at St. Louis it was also down to 38°. The only warm locality anywhere was down in South Texas where it ranged from 68° to 71°. The country ling between Vicinity and lower from 54° to 48° to 55° to 65° and all north of Vicksburg from 34° to 48°.
